

DRAINAGE/AS-BUILT REVIEW – ONE DAY TURN AROUND

A one day turn around review will be available for drainage plans and as-builts. The one day turn around review will cost \$1,600.00 and will be subject to the following:

1. One day turn around reviews will only be available Monday-Wednesday.
2. The Builder must schedule the one day turnaround a minimum of one week in advance. The request must be made in writing to the City.
3. The submittal must be received by 2:00 P.M. on the scheduled day in order to be returned by the end of the following work day.
4. The Builder will be charged the fee for the scheduled day regardless if the submittal was received or not. A new fee will be applied if the Builder reschedules the one day turn around (Fee for the originally scheduled day, fee for the rescheduled day).
5. A maximum of three submittals will be reviewed for any single day. The fee is per review regardless of the number of submittals in one day. Additional time may be required if multiple submittals are received at 2:00 P.M.
6. The Fee will be refunded in the event circumstances that occur which are outside of HDR's control such as illness, mechanical breakdowns, vacations, deaths in families, etc. prevents HDR from completing the review. Regular review fees will be charged instead.
